Prince of Persia: The Forgotten Sands is a 2011 action-adventure video game developed by Ubisoft Shanghai and Ubisoft Reflections, based on the Prince of Persia franchise. It was first announced at Ubisoft's press conference on July 10, 2010, and was released on July 19, 2011 in North America, July 26, 2011 in Europe, and August 1, 2011 in Japan. It is the fifth main installment of the Prince of Persia series and is the sequel to 2010's Prince of Persia: The Sands of Time. The game features a change of perspective to the original Prince of Persia by using a first-person viewpoint similar to that of Mirror's Edge. The game also features a level system similar to that of the Assassin's Creed series. The game was released on Microsoft Windows, the PlayStation 3 and Xbox 360. The PC version was released on April 26, 2012. It is the fifth game in the Prince of Persia series and has been developed by Ubisoft Shanghai and Ubisoft Reflections. The main theme of the game is the story of Sands of Time. The game was released in the PAL region on June 29, 2011.
