Laurene Fausett.Q: Display a custom message if a form is empty I want to display a custom message when a form is empty, until the user fills the form. I've tried displaying a custom message in the yii2 validation rule (see the example below), however this only displays when the user is trying to submit a form with a blank value. public function rules() { return [ [['user'], 'validateUser'], [['user', 'password'],'required'], [['password'],'string'], ['user', 'validateUser', 'when'=>function(\$attribute, \$form) { return \$form->validate(\$attribute, [ 'on' => 'change' ]); }],
